30 Day Post-General Report (10/19/00-11/27/00) and  
Amended 30 Day Post-General Report (10/19/00-11/27/00), dated 5/1/01**

Dear Mr. Averett

This letter is written in response to your two letters dated June 6, 2001, regarding the above-referenced reports filed by PAC For A Change. Preliminarily, please note that your letters were sent to us at our old address on the 23<sup>rd</sup> floor. As a consequence, we did not receive your letters until a few days ago. For your records, our firm is located on the 41<sup>st</sup> floor of the same building. We previously amended the Committee's Statement of Organization to reflect this change.

In response to your letters, Schedule B for Line 23 on the original report contains what we understand to be correct information regarding the committees to which contributions were made. The Congressional districts were provided for each Congressional candidate committee. Our research indicates that the committees listed without such information are not candidate committees; therefore, the purpose of disbursement information should be complete.

With regard to the Amended 30 Day Post-General Report, we have amended the Detailed Summary Page for Lines 19 and 20 to correct those figures. The Summary Page, Line 6(c), is correct. A copy of the Amendment, which we have simultaneously filed with the FEC's campaign reports division, is enclosed for your review.
